PREPARING A BIBLE STUDY

1) TEACHING GOAL
What would you like the group to do or change?

Why?

2) SCRIPTURE
What is the passage? What type of scripture is it? Who wrote it and why? What did it mean to the recipients?

3) OBSERVATIONS
What are the central truths and supporting truths? What might this passage mean to us today?

4) APPLICATION

Does this scripture bring forth any truths that counter commonly believed lies? What questions would help the group members apply this to their life? Could we do workshop activity and report back?

5) RESPONSE

What should I change in response to this truth? What should I ask or expect of the group?

SUMMARY

How will I wrap up this teaching?
